IL REGNO ARTIFICIALE

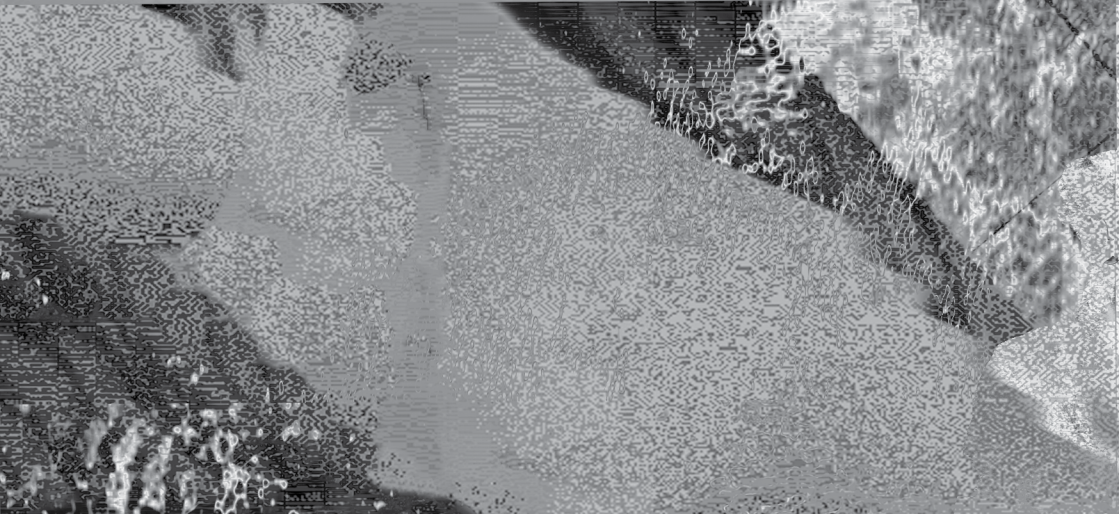

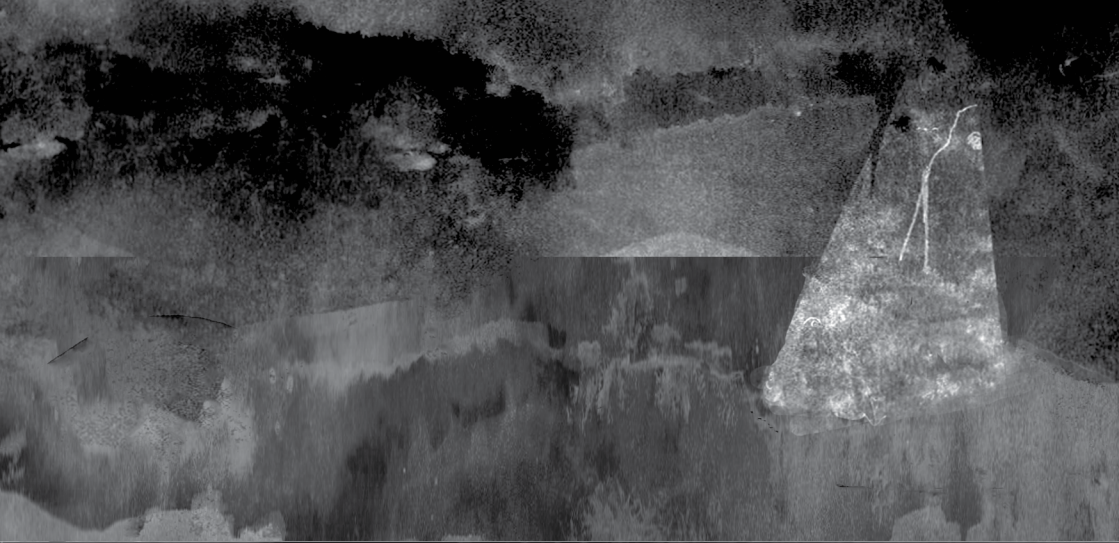

L'astronave risulta compromessa a causa dell'atterraggio d'emergenza

Il pilota non ha riportato ferite significative in seguito all'impatto.

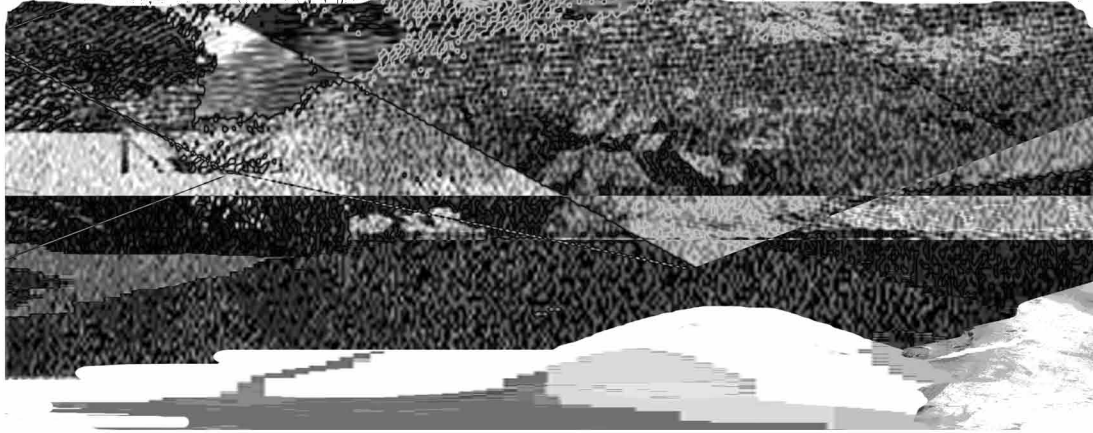

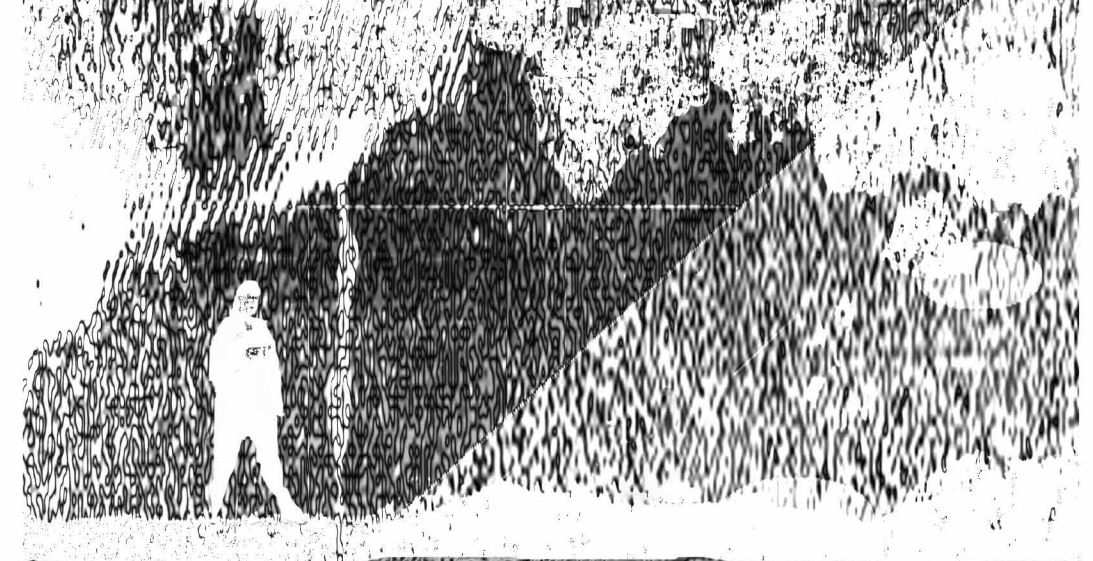

L'atmosfera del pianeta risulta corrotta da morbi invisibili, secolari.

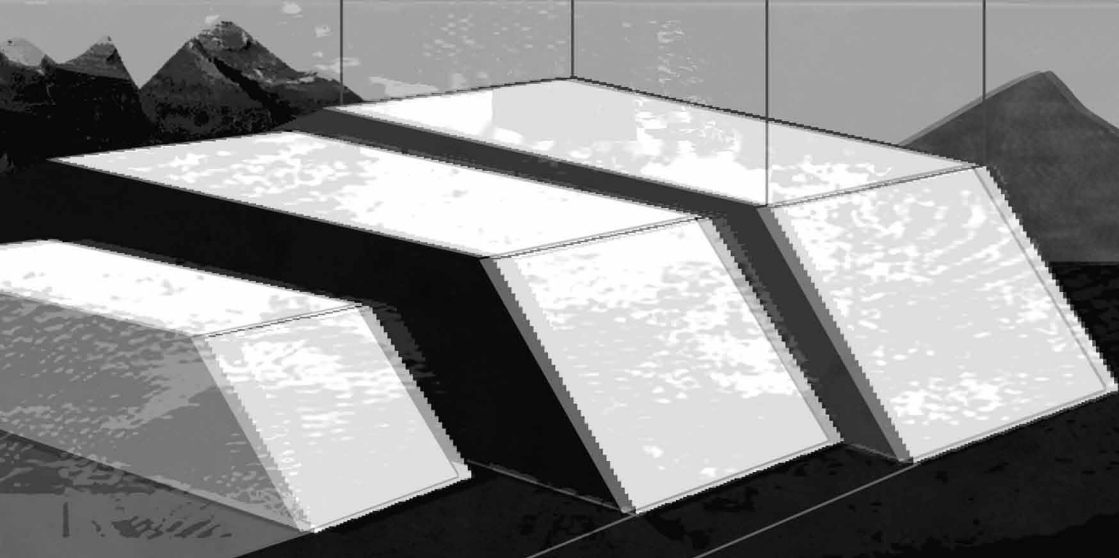

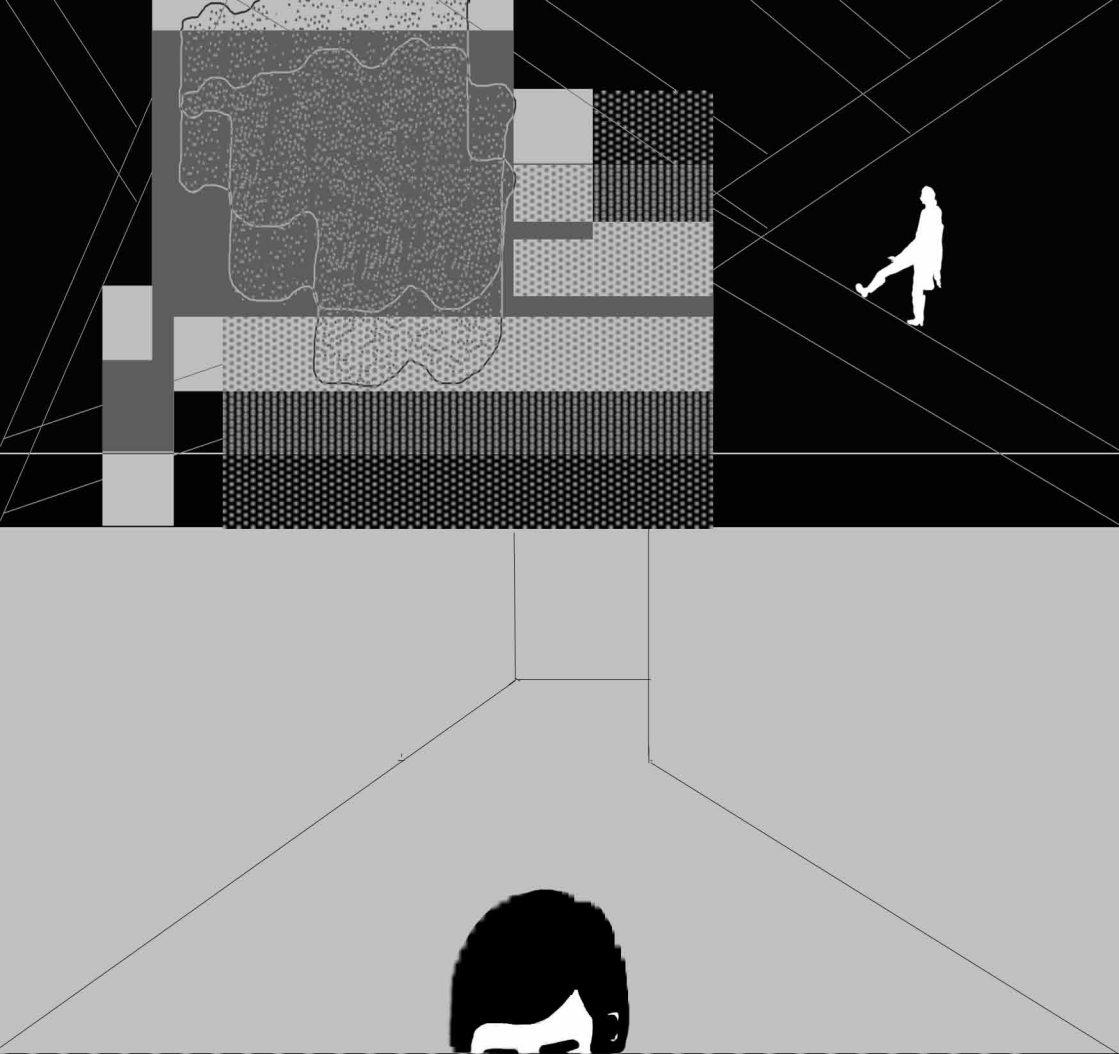

Si intuisce la presenza di un vasto oceano, lontano all'orizzonte

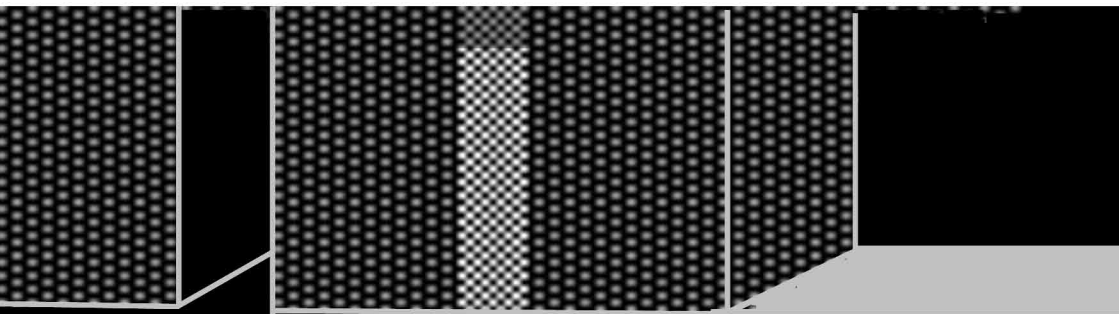

luna televisori verde

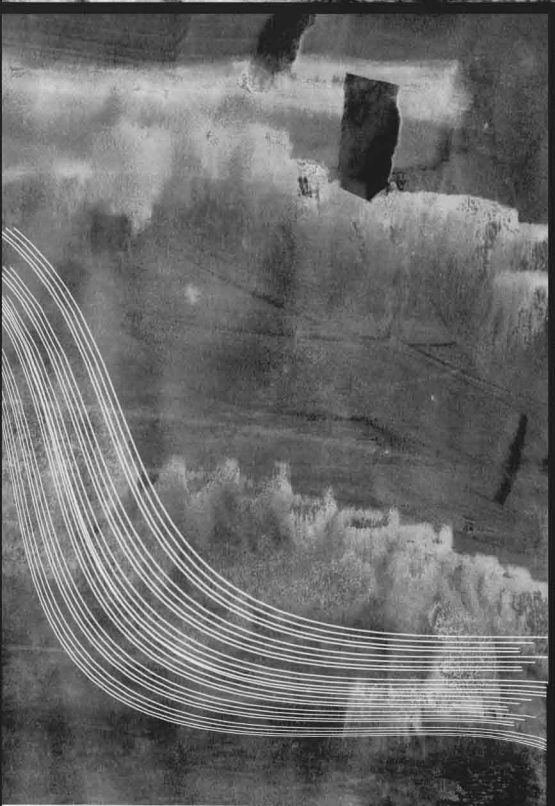

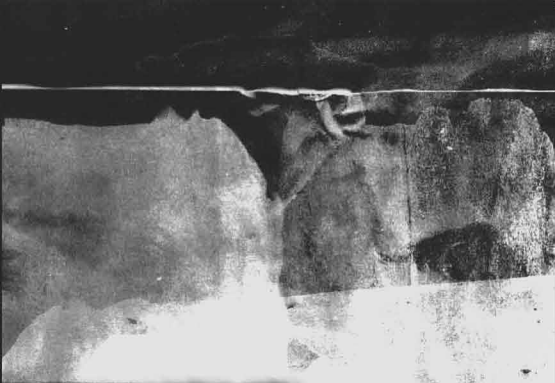

Affiorano dal nevischio atomico sagome decrepite di imponenti edifici

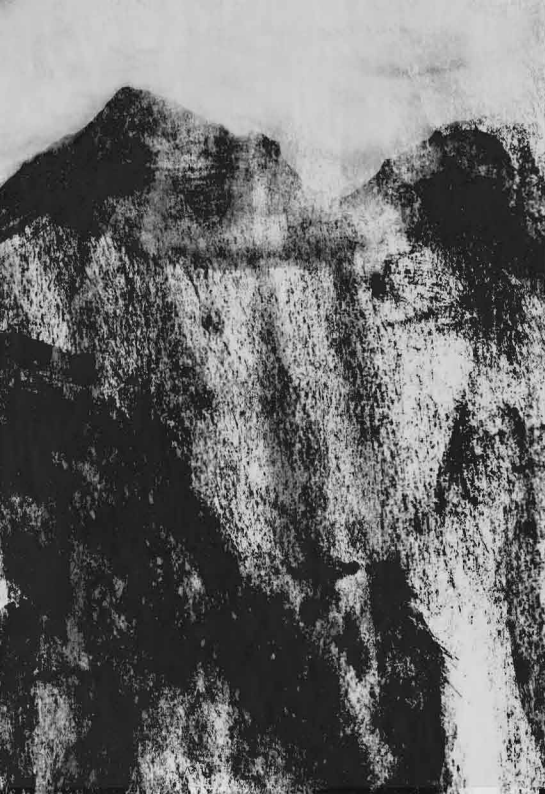

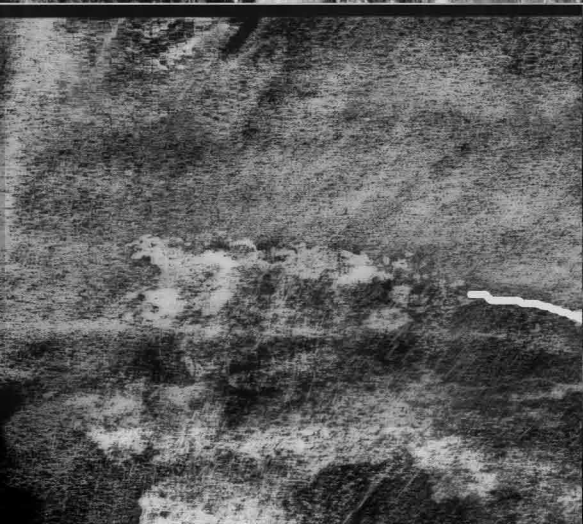

Presso l'arcaica sorgente è possibile scorgere statuari ologrammi.

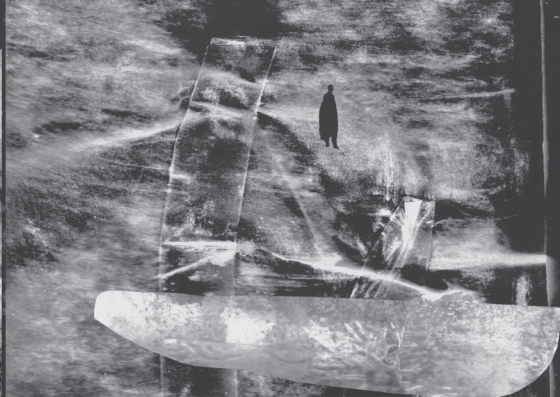

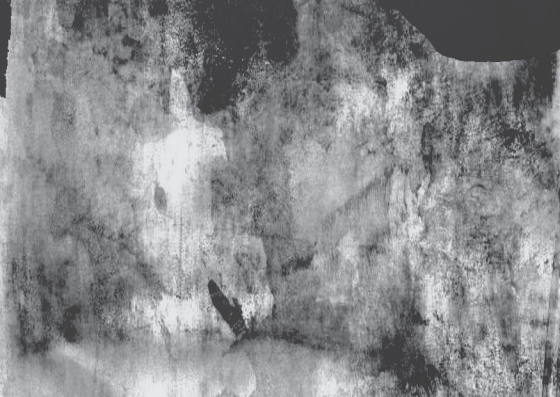

Enormi mausolei virtuali perpetuano il lucore di epoche remote

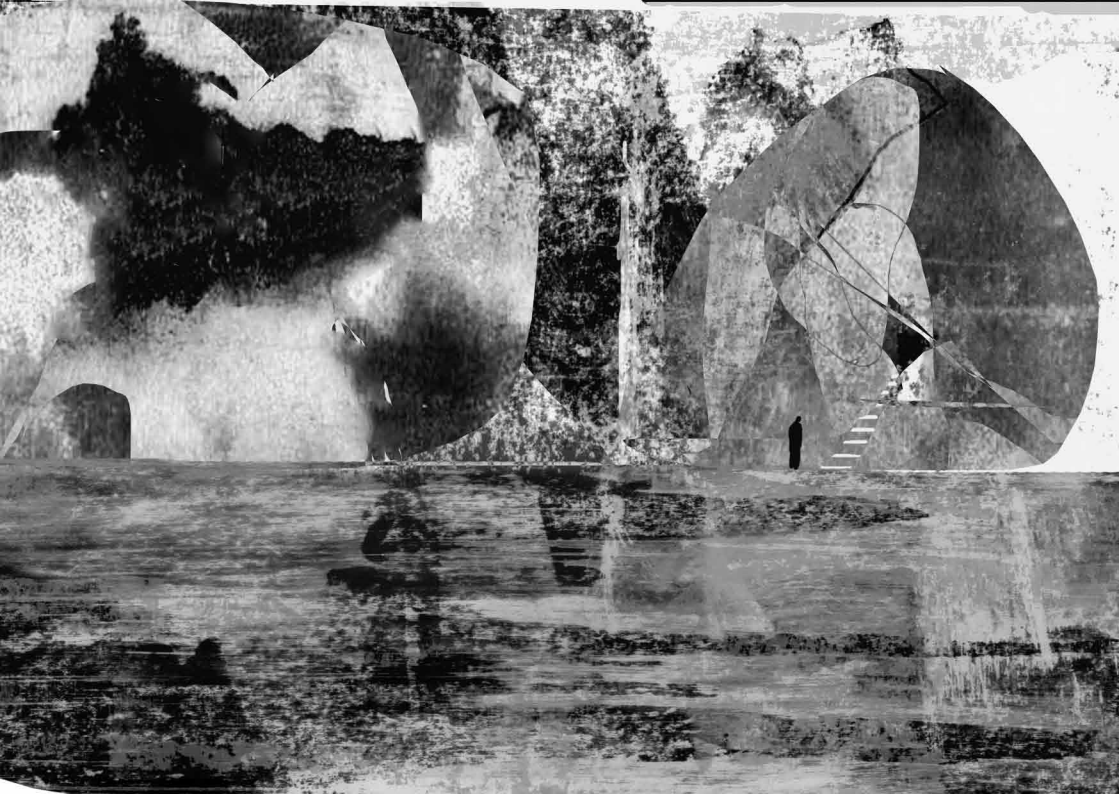

Giganteschi alberi custodiscono la memoria di ancestrali cataclismi

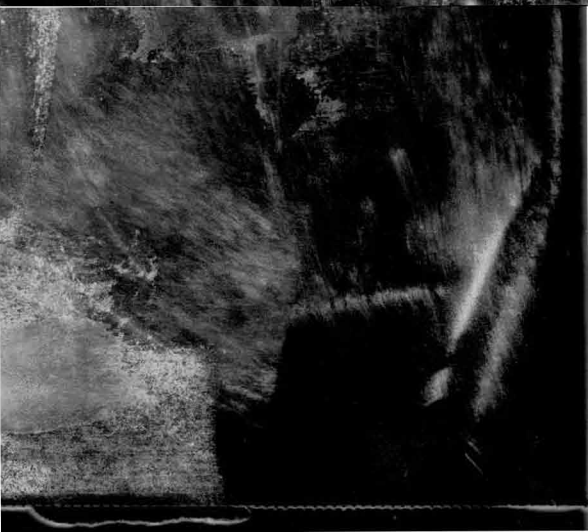

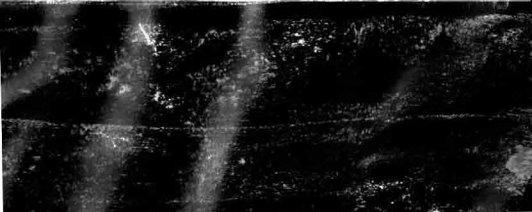

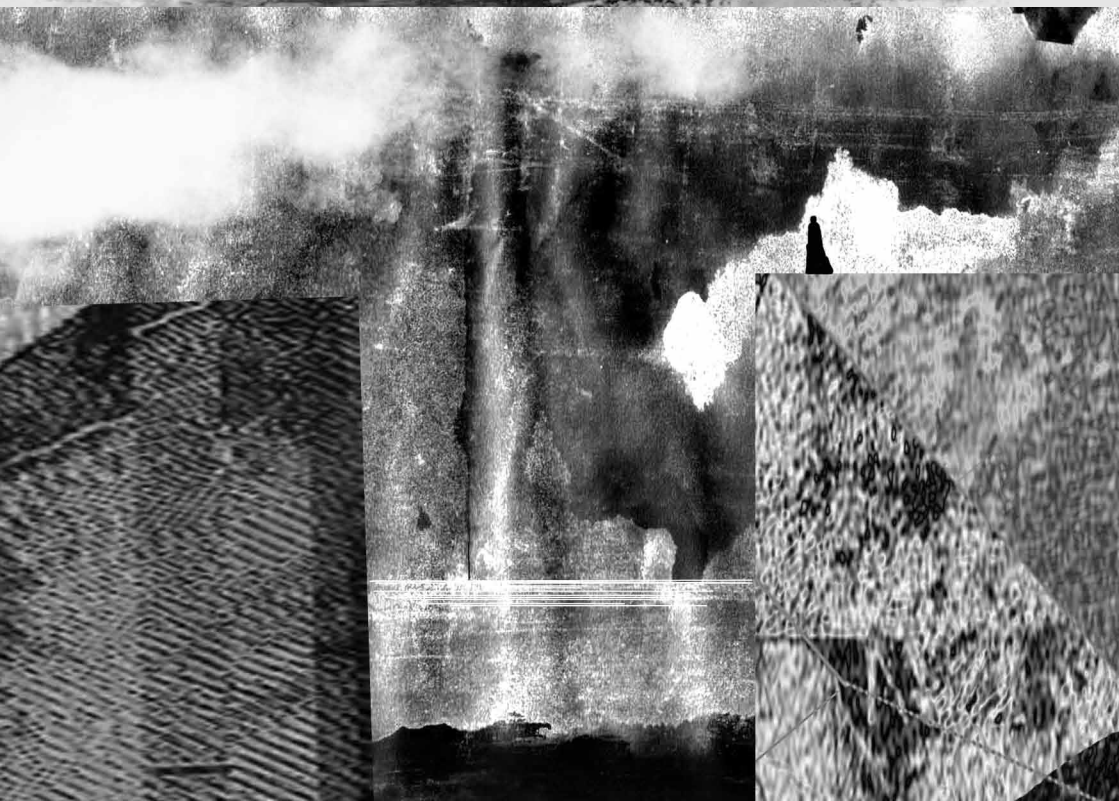

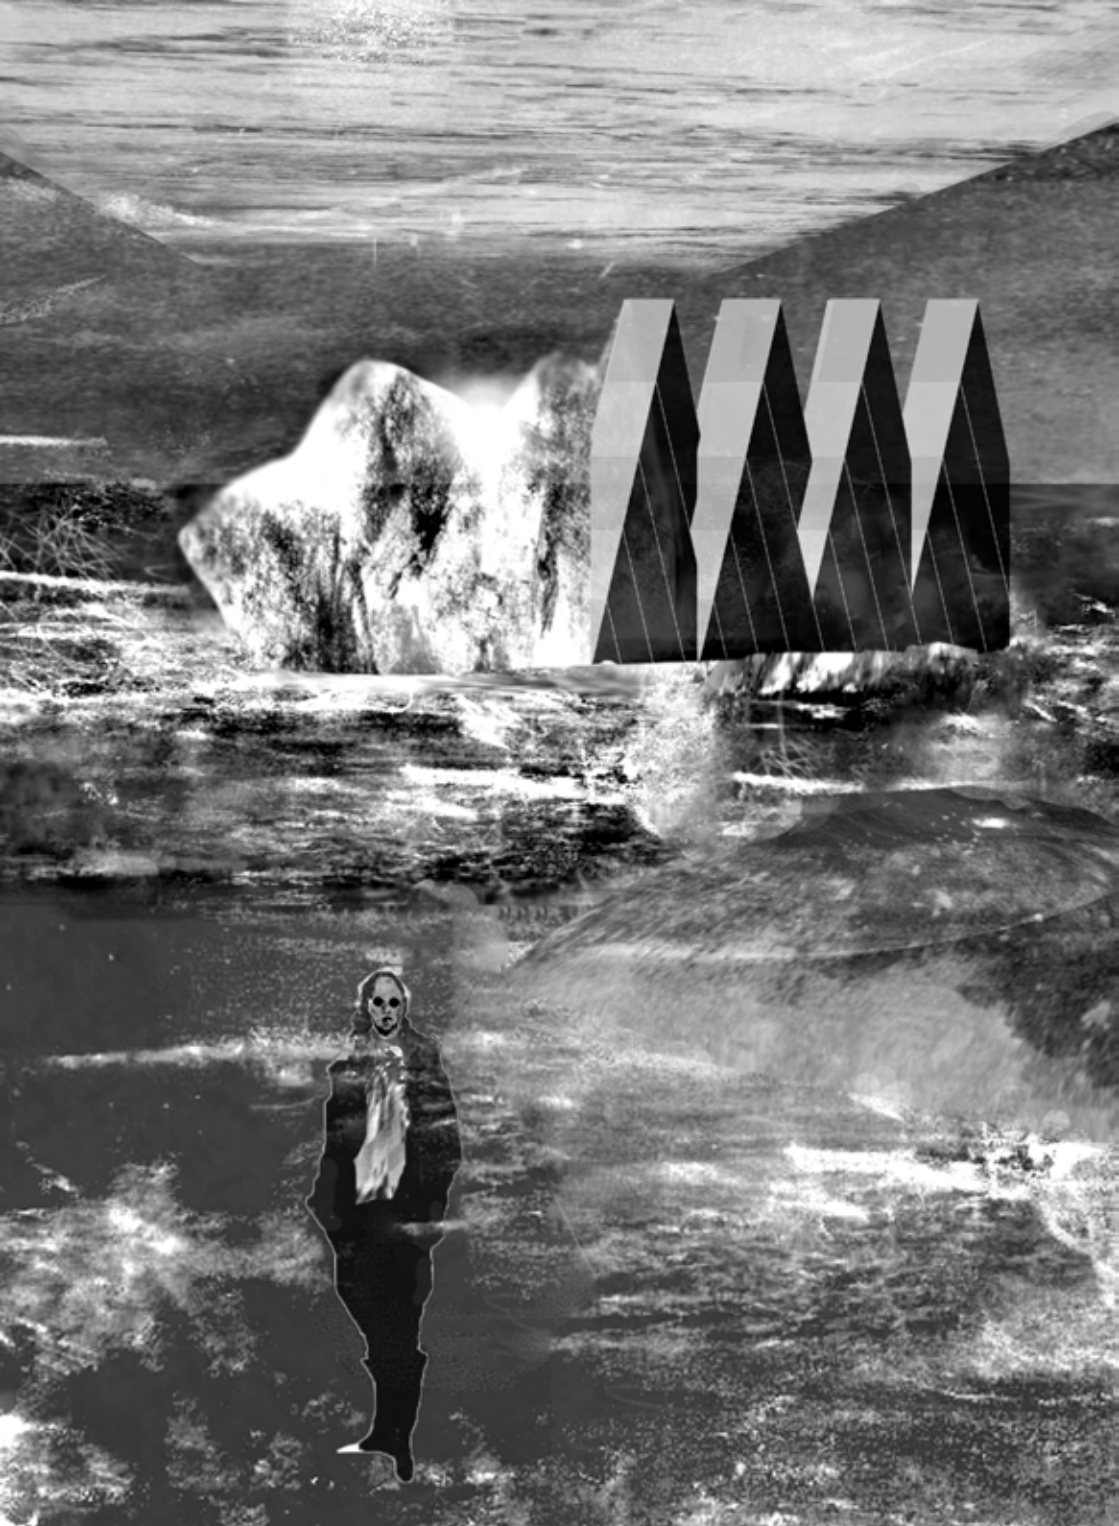

Serafiche creature si manifestano nel crepitio di melodie robotiche

Un chiarore bionico si propaga nella caligine come sinfonia al neon

Vertiginosi scostamenti sembrano generarsi dai vapori del tempo

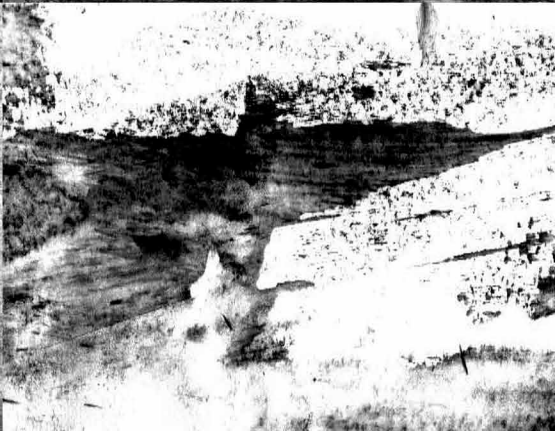

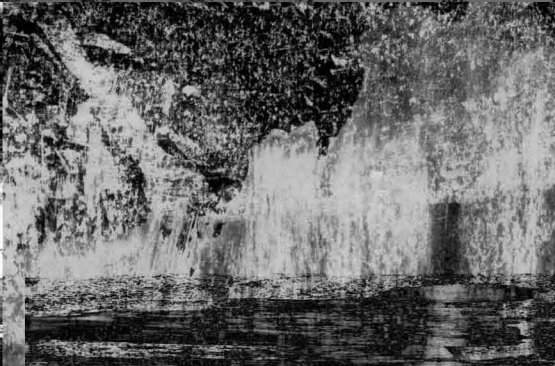

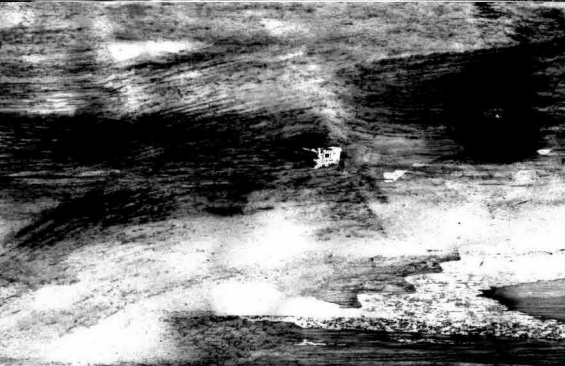

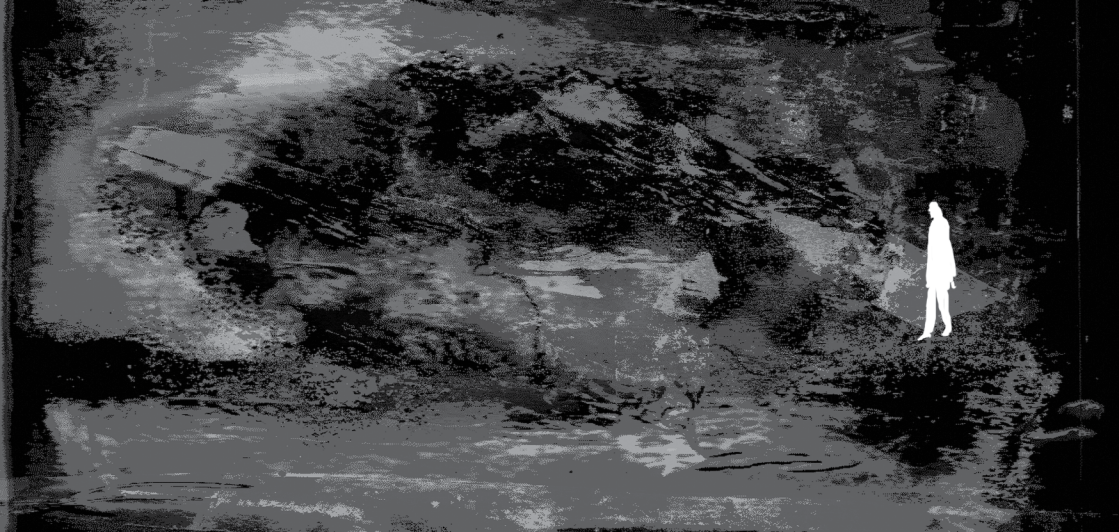

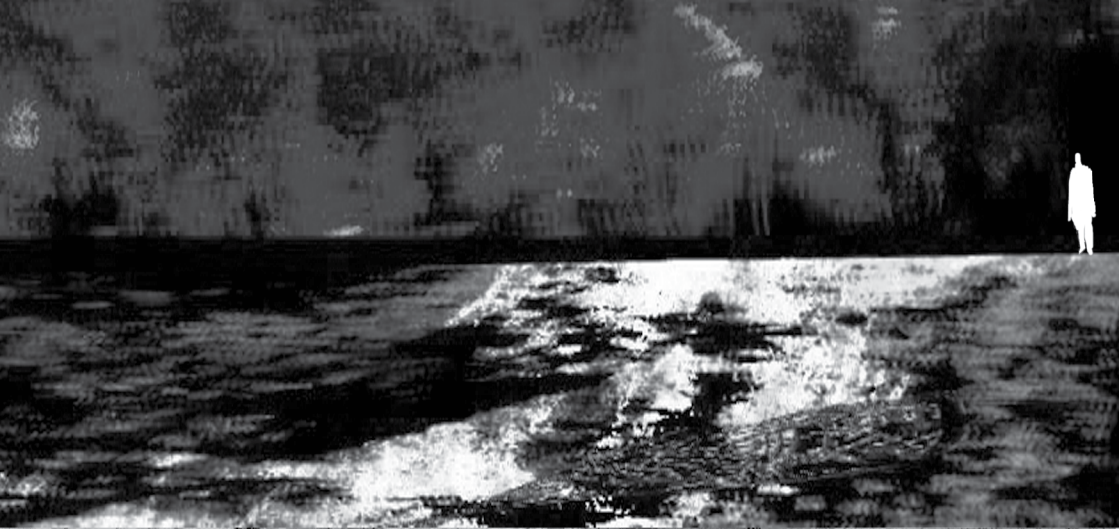

Volatili telepatici dopo secoli di trasfigurazioni dominano le rovine

Svettano molteplici portali che sembrano irradiare arcani algoritmi

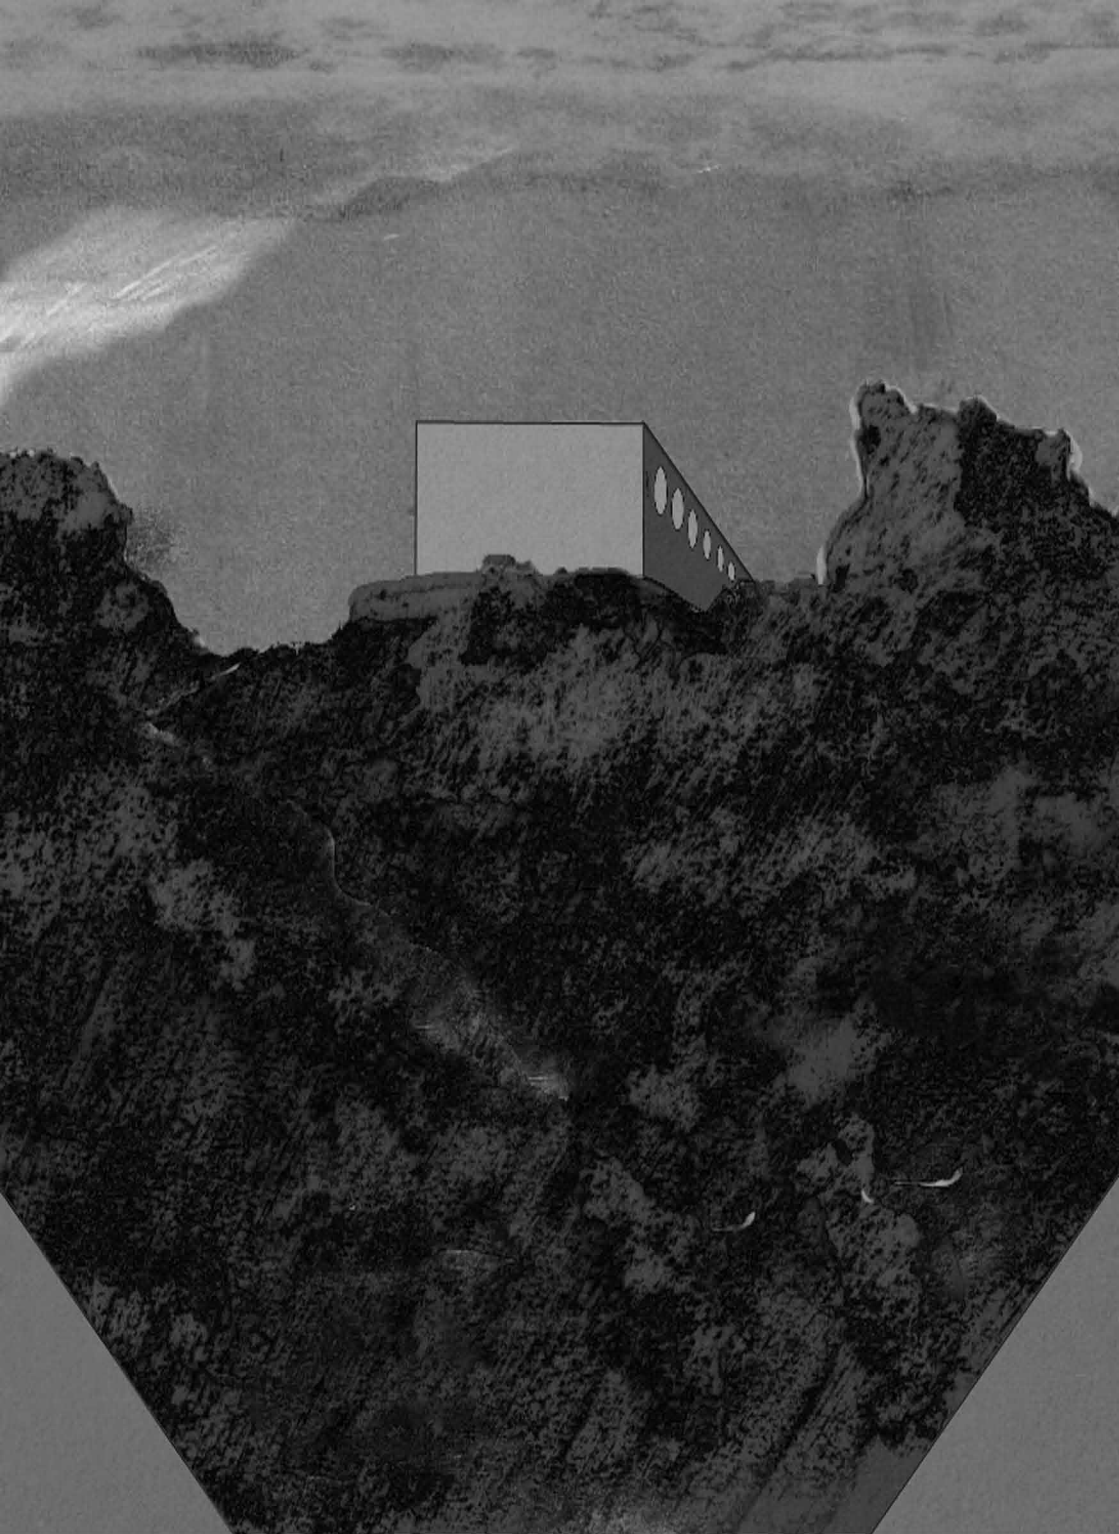

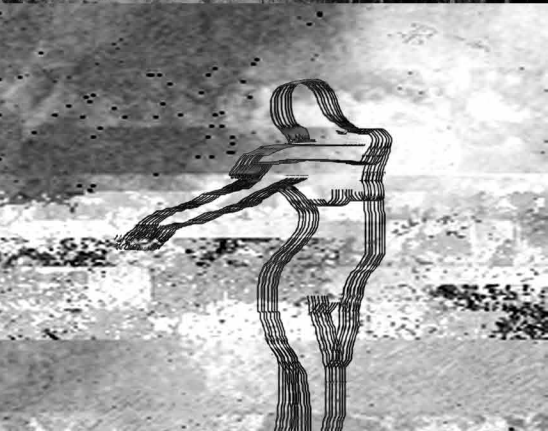

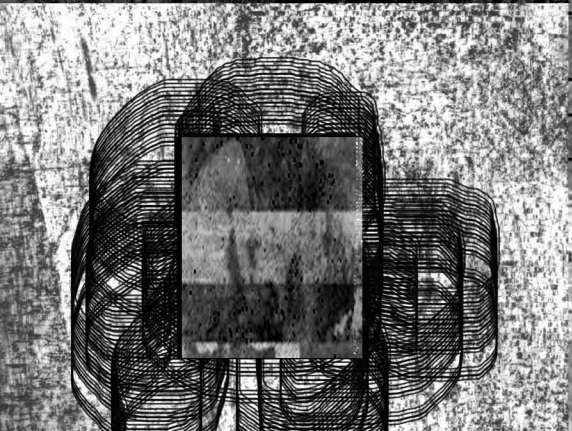

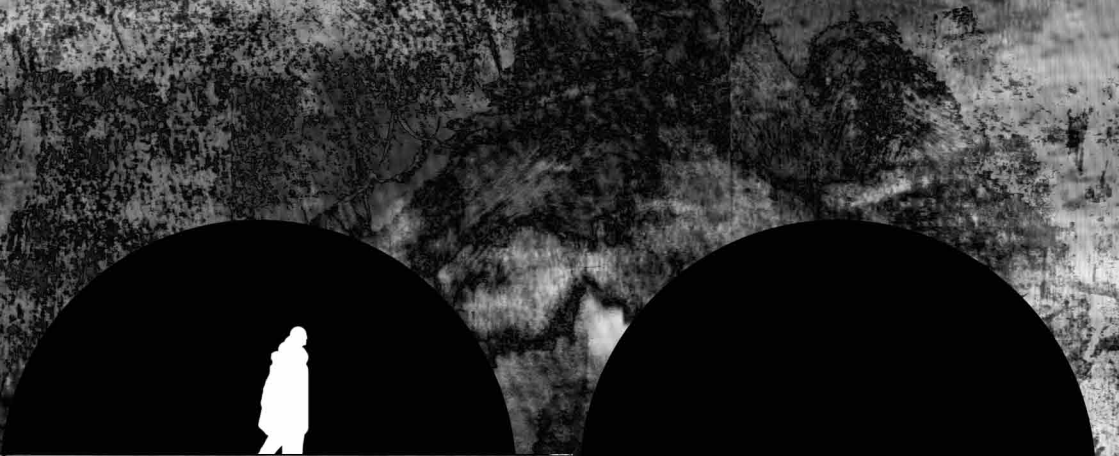

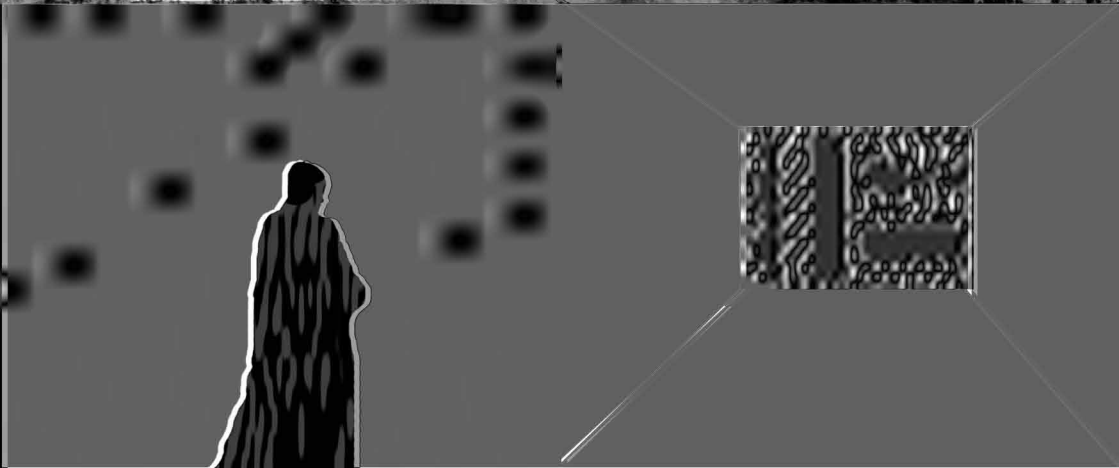

Un flusso eterno trascende l'atmosfera e si propaga nella galassia

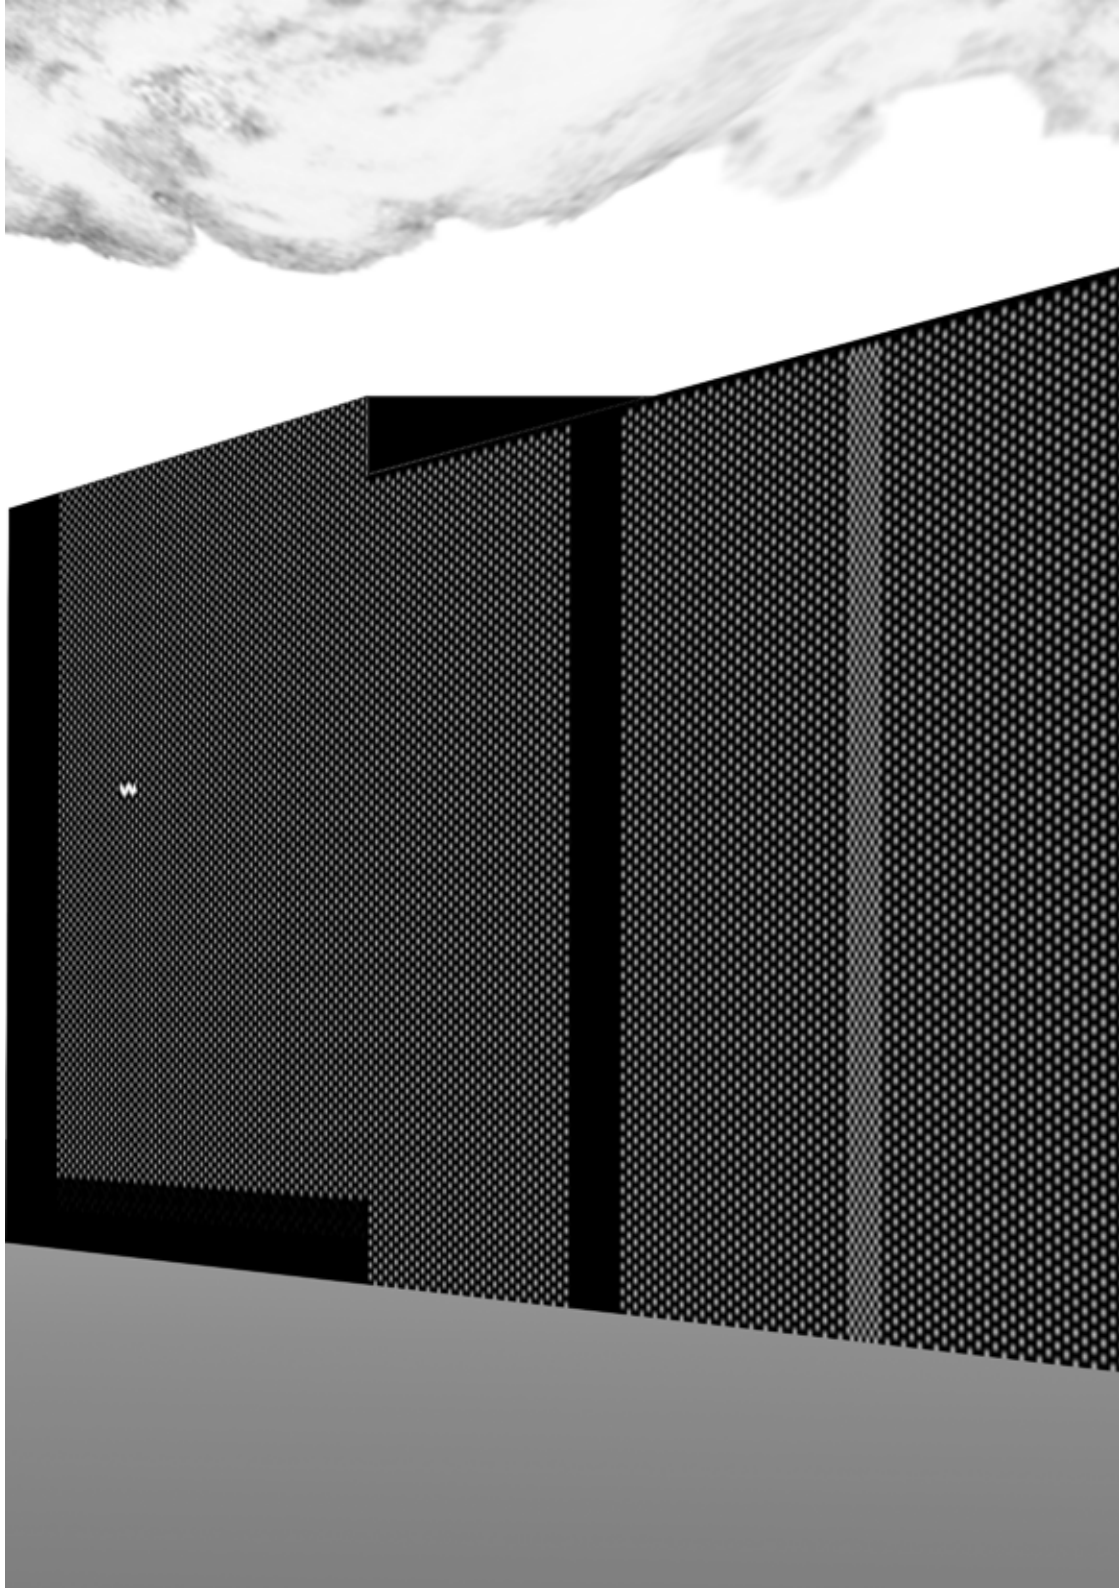

L'osservatorio sembra immune agli effetti erosivi degli agenti esterni

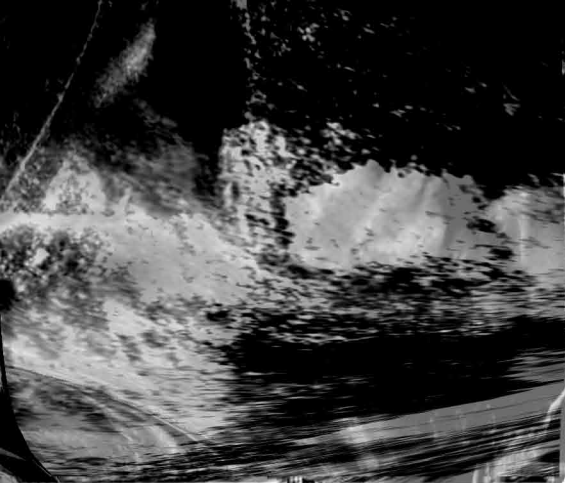

PERLUSTRAZIONI DURATE SECOLI SI CONDENSANO IN ARCANI CODICI

COME FIUME CATODICO TRASLUCENTE RISUONA L'IMMENSO REGNO

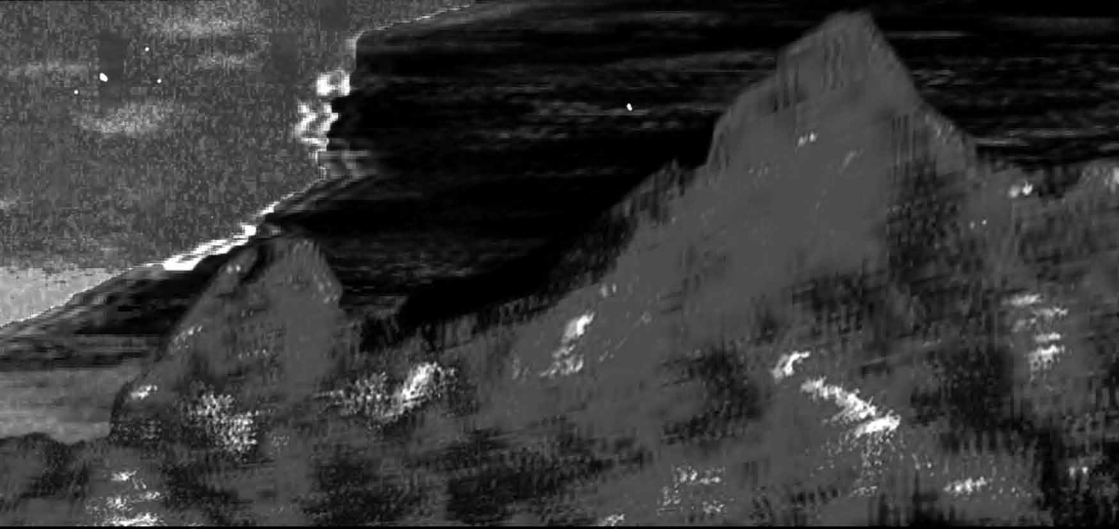

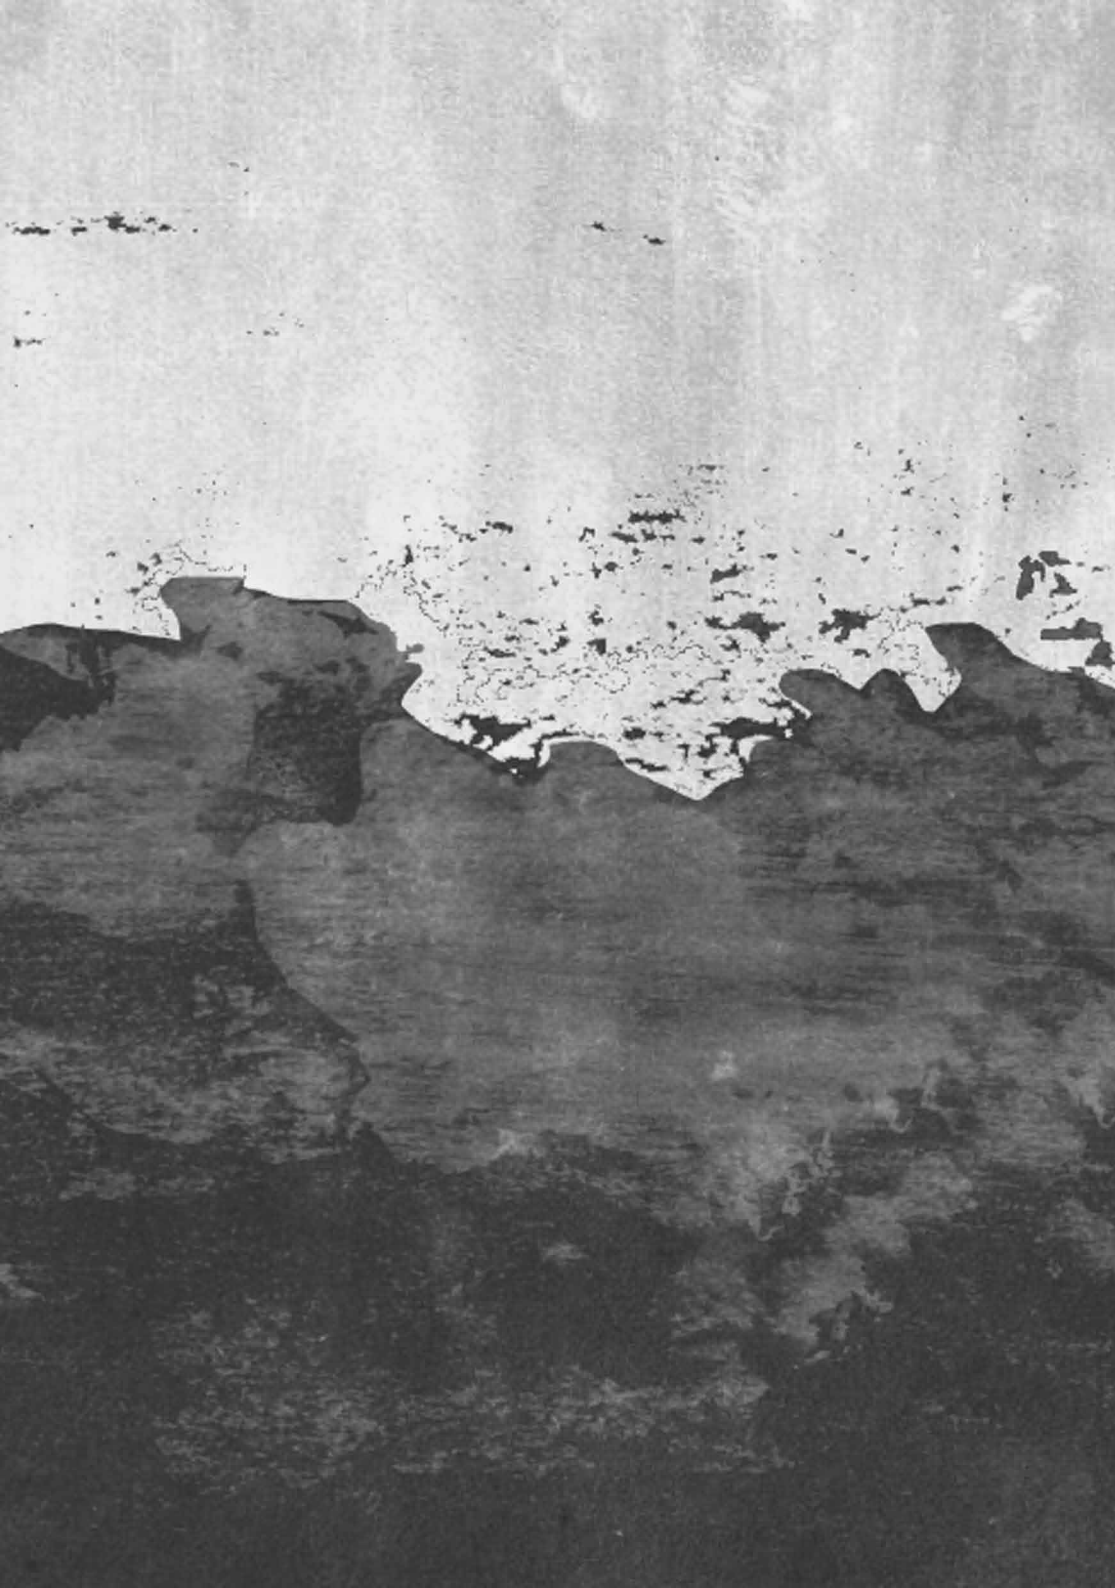

OLTRE GLI ALTIPIANI SI ESTENDONO LE LUGUBRI METROPOLI EVACUATE DAGLI ANTENATI

SI MATERIALIZZANO SATELLITI REGOLATI DA PROGRAMMI D'IMMORTALE CONSISTENZA

UN CLIMA INCOSTANTE DALLE MISTERIOSE ESCURSIONI TERMICHE COSTRINGE A LUNGHE PAUSE

EMERGE DAGLI SCOGLI LA CIMA DI QUELLO CHE SEMBREREBBE UN MASTODONTICO PORTALE IN DISUSO

SORGE, COME IN UNA SOGNANTE SIMULAZIONE, L'ETERNO CORTEO ASTRALE MENTRE COLOSSALI ONDE S'INFRANGONO SULLE ROVINE.
